INTERNATIONAL SEARCH REPORT internatio Application No PCT/GB 03/02946 A. CLASSIFICATION OF SUBJECT MATTER IPC 7 G01J3/44 G01N21/65 According to Informational Patent Classification (IPC) or to both national classification and IPC B. FIELDS SEARCHED Minimum documentation searched (classification system followed by classification symbols) GOIJ GOIN A61B Á61K Documentation searched other than minimum documentation to the extent that such documents are included in the fields searched Electronic data base consulted during the International search (name of data base and, where practical, search terms used) EPO-Internal, BIOSIS, INSPEC C. DOCUMENTS CONSIDERED TO BE RELEVANT Citation of document, with indication, where appropriate, of the relevant passages Relevant to daim No. χ WO 01 51094 A (LIGHTOUCH MEDICAL INC) 1-29 19 July 2001 (2001-07-19) abstract page 18, line 24 -page 19, line 16 page 20, line 15 -page 21, line 31 page 25, line 9 - line 24 figures 1,2 X US 2001/044129 A1 (LING JIAN ET AL) 1 - 2922 November 2001 (2001-11-22) abstract. paragraphs (00131, '00141, '0035!-'0045!, '0063!-'0065! Further documents are fisled in the continuation of box C. Patent family members are listed in annex. Х Special categories of citod documents: taler document published after the International filing date or priority date and not in conflict with the application but cited to understand the principle or theory underlying the invention "A" document defining the general state of the art which is not considered to be of particular relevance *E* earlier document but published on or after the International tiling date "X" document of particular relevance; the claimed invention cannot be considered novel or cannot be considered to involve an inventive step when the document is taken alone. document which may throw doubts on priority datm(s) or which is cited to establish the publication date of another citation or other special reason (as specified) 'Ye document of particular rolovance; the claimed invention cannot be considered to involve an inventive step when the document is combined with one or more other such documents, such combination being obvious to a person skilled in the art. O document reterring to an oral disclosure, use, exhibition or other means "P" document published prior to the international filing date but later than the priority date claimed "&" document member of the same patent family Date of the actual completion of the international search Date of mailing of the International search report 24 September 2003 09/10/2003 Name and malling address of the ISA Authorized officer European Patont Office, P.B. 5818 Patentican 2 NL – 2280 HV Rijswijk Tct (+91–70) 340–2040, Tx. 91 651 epo nl, Fac (+31–70) 340–3018
